

Is your price proposal losing you business?

90% of prospects will request your proposal before making a hiring decision. But does yours carry its fair share of the marketing load? Or is it little more than a standard form?

Every piece in your marketing promotion needs to pull its own weight. To see if your client quotes are doing just that, we're inviting you to attend our free webinar

How to Create Proposals that Win the Work

October 29, 2015

2:00 – 3:00 p.m. ET

By improving just a few key elements, you can increase your chances of getting a prospect's go-ahead by 20% or more. Which starts to add up when you translate that into one additional project your firm can land for every six you quote!

In just one hour, you'll leave with:

- ***Five simple keys to create proposals that win the work***
- ***An example of an actual winning proposal using the strategies taught in the webinar***
- ***Answers to your questions. We limit our webinar to only 9 attendees so we can provide a more hands-on experience***

If your current proposal isn't helping bring in business, sign up for this free webinar and discover how to turn more of your prospects into clients.

But don't wait too long. Remember, we only take 9 participants in order to offer the most valuable learning experience for businesses like yours.

Register today to increase your odds of winning the work!
